**“Mr. Antoine +Mrs. LaKeisha I actually enjoyed everything from start to finish. The pen/story exercise was quite amusing to me. It helped me to discover some things about myself. I felt you both spoke words of wisdom and I truly did admire the message that you are trying to get out to young individuals.”**

**“The presentation was wonderful, I absolutely loved it. The crowd interaction was my favorite part, it bores me when I have to sit & watch a speaker. So being able to be a part of your presentation was awesome. I learned a lot from you guys & it definitely helped when I consider day to day decisions. I loved Keisha’s comment about how ‘men wait for the right time & women wait for the right man.’ I feel that is so true and that’s why a lot of women end up depending on a man. Anyways, thanks for coming and I hope you return soon!”**

**“Hey guys! Sorry I was late, but I really enjoyed what Antoine said about the ‘Cast Away’ scenario. This definitely was toward me and hit home hard. I loved it for the 2<sup>nd</sup> time! You guys are great - hope to see/work with you guys again.”**
